			Tuesday 20 July	Year 6 Graduation Assembly from 9:30am Last day of the school year	Year 6 parents

Please note

- At the time of writing this, in early September 2020, we have anticipated that for the Autumn term, government restrictions will remain in place around large gatherings, and social distancing measures. Therefore, we have not scheduled in any class assemblies, PTA events or other concerts. We have allocated in a slot for Christmas performances, but we will not be able to run these as we have previously done, especially when concerning parents coming into school to watch their children. We will continue to be led by government guidance and restrictions, with safety as our priority. We will of course keep you informed on the planning for any Christmas performances, as we get closer to the time.
- For the Spring and Summer terms, you will see that we have published a full schedule. This may still be subject to change, should government restrictions still be in place. We will inform of you of any amendments that we have to make, and seek to provide a suitable alternative where possible.
- For all workshops, the Power Point slides will be published on the school's website afterwards if you are unable to attend.
- All 'special' assembly leaders will ensure that there is a Collective Worship element to the community's time together. Unless an alternative is mentioned in this document, Tuesday assemblies will be led by the head of school or executive headteacher and the specific content is not detailed here.

Class names, year groups, teachers

Year group	Teacher 1	Teacher 2
Nursery	Mango Class: Harvey George
